

DISCOVER A NEW PARADIGM IN LIGHT THERAPY: EPI-C PLUS®

Featuring both **Light Modulation® LLLT** and **Optimal Power Energy® IPL** technologies, to deliver effective, painless care to maximize patient satisfaction and elevate your practice revenue.

“ My patients who were looking for a non-invasive treatment of inflammatory conditions in the periorbital and facial area, have seen incredible improvements with the use of the EPI-C Plus® OPE® IPL & LM® LLLT. These therapies address the root causes of their discomfort, and it’s so rewarding to offer a painless solution that not only relieves symptoms, but also enhances their quality of life! ”
